

THE RICHNESS OF OAK & THE DURABILITY OF VINYL. NOW IN TWO WARM TONES.

QUALITY WINDOWS.
GREAT SERVICE.
EXCEPTIONAL VALUE.

THE BEAUTY OF OAK IN A TONE THAT MATCHES YOUR STYLE.

THE TRADITIONAL LOOK

THE OAK LOOK

Enjoy the warmth of an oak interior finish with any of North Star's windows. Made from a durable PVC laminate with an acrylic overlay, our oak interior finish is virtually indistinguishable from real wood and is available in *Natural* and *Canadian* tones.

Natural

Canadian

The windows are manufactured to the same exacting standards as all our products, and feature:

- Low-e glass that helps to keep energy bills under control
- Super Spacer[®], a silicone foam spacer between glass panes that reduces noise and condensation and boosts insulation values
- Corners on all sashes and frames are fusion-welded for strength and a perfect seal
- Quality hardware – fold-down handles are standard on all awning and casement windows with North Star's oak interior finish
- Grilles are also available with North Star's oak interior finish

Match Your Style

North Star's oak interior finish is available on all styles and colors of North Star windows.

Advanced Window Construction Technology

North Star's extruded multi-chambered vinyl construction resists warping, cracking and peeling, and never needs painting.

A - 3/4" dual-glazed, double-strength sealed units with standard Super Spacer[®] and Low-e glass.

B - High-quality triple weatherstripping prevents air infiltration.

AS A MATTER OF FACT, OUR WINDOWS ARE THE BEST.
