# Trusted Building Solutions from One Unbeatable Team

If you've ever worked with one of our industry leading brand teams, then you already know how well we listen to you, solve your problems and bring you better solutions.

Now imagine having this same kind of trusted relationship with a team of experts in other building areas: windows, siding, stone, metal buildings, and metal roofing and wall solutions.

This is why Cornerstone Building Brands was built. We became the multi-category leader so our customers can experience the same consistent level of partnership and leadership across numerous building categories.

Think of us as **One Team with One Mission: Your Success.**

- ▶ **Trust** in the people you know.
- ▶ **Top** brands you know and love.
- ▶ **Products** for almost every commercial and residential building.

**#1 vinyl windows**  
**#1 vinyl siding**  
**#1 metal accessories**  
**#1 insulated metal panels**  
**#1 metal roofing & wall systems**

## The right window in the right region at the right price. **Clearly the best choice.**

Cornerstone Building Brands is the largest manufacturer of vinyl windows in North America with brands you've come to know and trust. We have endless window options from standard to specialty to customized to whatever you're looking for. But it's our service capabilities that sets us apart.

We are an international company with a regional focus. In fact, we have been partnering with builders, contractors, distributors and retailers all across Canada and the U.S. for 80 years.

Yet, as big as we are, it's all the little things we do that make your job easier. Partner with your Cornerstone team for anything window related for any job.

- **23** manufacturing plants in North America including state of the art facilities in Calgary, Alberta and Woodbridge & St. Thomas, Ontario.
- **Over 1 million** windows are manufactured each month.
- **Trusted** by over **90%** of the top national builders.
- **Regional focus and expertise** so specifications and code are always met.
- **Canadian made** products are engineered and designed for the **Canadian climate**.

# Solutions to Match Your Style and Budget.

Cornerstone Building Brands is the #1 manufacturer of vinyl siding in North America. With brands you trust, we have been making the highest quality and widest range of vinyl siding for more than 75 years. During this time, we've built a reputation for having the best vinyl solution for every type of builder at every price point.

Because we manufacture all the matching and coordinating accessories, you can be assured of having color consistency and perfect fit throughout all categories. We also work with the leading distributors, applicators, builders, and dealers in every channel. So we're able to successfully deliver these products in your local market.

Trust the team at Cornerstone to have the best vinyl solution for you.

- **8 Billion** square feet of siding manufactured in the last decade.
- **Enjoy complete colour-matching** and exterior coordinating. From siding to accessories, we make it easy.
- **We have your back** with our industry leading warranty.
- **Coast to coast distribution** locations ensure product is in-stock and easy to order.
- All Mitten vinyl siding is **Made in Canada** at our Paris, Ontario, facility.

## Strong allied relationships with Canadian-made, premium exterior building product brands.

Through our distribution network we can source and supply a wide variety of products to bring your vision to life.

Novik is at the forefront of technology and offers attainable luxury that is attractive and easy to install with their unique NovikShake and NovikStone product lines - perfect for builders, contractors, renovators and home improvement retailers.

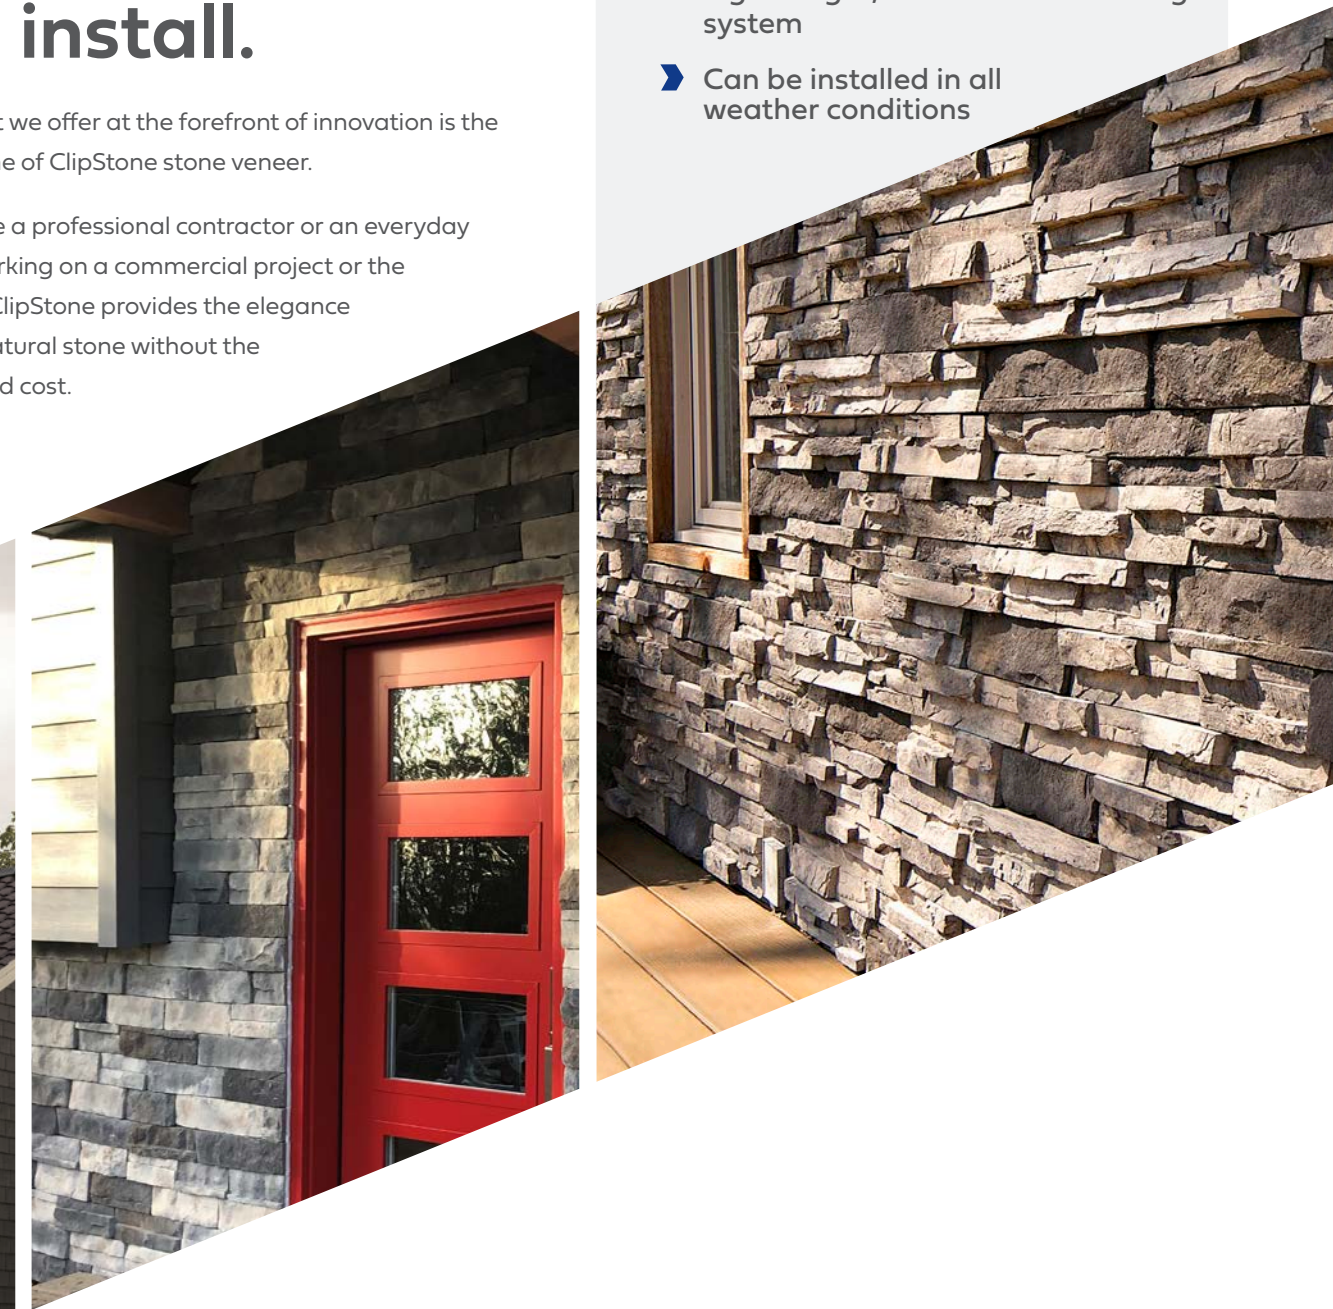

LUX Architectural Products is the industry leader in contemporary woodgrain steel cladding and architectural products. The LUX concept was developed to satisfy a growing demand for contemporary architectural products that could be made more affordable - steel is the most highly recycled material in the world and LUX products are proudly made in part from recycled metal.

## The stone anyone can install.

Another product we offer at the forefront of innovation is the easy to install line of ClipStone stone veneer.

Whether you are a professional contractor or an everyday homeowner, working on a commercial project or the basement bar, ClipStone provides the elegance and charm of natural stone without the hassle, mess, and cost.

- ▶ No masonry skills required
- ▶ No mortar, no mess
- ▶ No special tools needed
- ▶ Lightweight, mechanical fastening system
- ▶ Can be installed in all weather conditions

## Start-to-Finish Expertise

Time. Cost. Labour. The three things that keep you awake at night are the same three reasons Cornerstone Building Brands is the “go to” leader in pre-engineered metal buildings and supplies. We’re quick. We make it easy to install and our prices are well below brick and mortar alternatives.

But beyond these key benefits is our uncanny ability to listen and understand your unique metal needs. No matter what type of building you want or where you want to build it, we’ll help you simplify the process.

- ▶ **Quicker erecting time** at a lower cost for the building you want.
- ▶ **20+** buildings erected every day of the year, from A to Z (aircraft hangars to zoo facilities).
- ▶ **100+** estimators & engineers.\*
- ▶ **200+** sales and service reps.\*

# All-Around Metal Solutions

No matter the scope of your project, our Metal Roofing & Wall Panel experts have the single-source solution. With our vast metal resources and expertise, you'll never have to mix-and-match vendors again. If it's metal on the exterior of a building, roof, or a wall, we have the top quality, energy-efficient metal solution for you.

But where we really push the envelope is our service. We've built our reputation on hearing what our customers want – and supplying what they need. Making it right is what makes us different. You'll see.

- ▶ **200,000** tons of components – equivalent to 1,000 Statues of Liberty.
- ▶ **Thousands** of combinations of panel options, including profiles, colours and gauge.
- ▶ **225** stadiums built with our metal – including 18 NFL stadiums.
- ▶ **All-in-one solutions** like our air & water thermal vapour solution giving your building a cleaner inside finish with less labour.
- ▶ **In-house coating** division gives customers peace-of-mind that any issues will be taken care of in a fair and timely manner.
